

Wellsboro Comic Con Community Sponsorship Opportunities

Our mission to celebrate art and imagination in our beautiful, welcoming region has already generated a great excitement in this, our first year. Due to this response, our initial venue at the Deane Center for Performing Arts has grown to include the Warehouse Theater Lobby, St. Paul's Community Room, events at the Gmeiner Arts Center and Green Free Library. We are also offering free outdoor activities and spaces for non-profits. Other local businesses are planning complimentary activities too, and we are excited that this is turning in to a community-wide celebration.

Thank you for considering a sponsorship to help the Wellsboro Comic Con be the best event possible, and reflect our town and county in its best light! We have aimed high and would love to partner with you through the following opportunities.
