Fundraiser - January 25 - February 13, daily incentives and end of fundraiser incentives for classes. Report will be by class, not personally. We are just asking, not selling anything. Incentives:

1. Daily according to the funds raised the previous day, we will decorate the door of the class with the most contributions to the fundraiser, the class will also have an opportunity to dance to their 2 favorite songs, 5 minutes before dismissal.
2. On 2/12/21 we will announce the winners - the top class will get their room decorated and the three top classes which will get PJ, Movie, Lunchables Party on 2/13/21. Two of the three classes are the classes contributing with the highest amount and the third is the class with the most individual contributions. If one of the top two classes is also the class with most individual contributions, then we will take the third class with the highest contributions. On 2/13/21 the three classes will have their parties and the top class will have their room decorated.
