## Message from the President...

Dear Members,

I hope everyone took some time to enjoy a safe and restful summer amid the summer clean up/maintenance projects. As we prepare for the upcoming school year, I want to take a moment to thank each of you for your continued dedication and hard work. CUPE 1483 remains committed to advocating for your rights, improving your working conditions, and ensuring your voices are heard. Let's continue standing strong together as we head into the fall.

In solidarity,  
Bruno Mediat  
President, CUPE Local 1483

## Education & Training Opportunities

CUPE 1483 encourages all members to take advantage of upcoming education courses available through CUPE. These training sessions are an excellent way to build your skills, expand your knowledge, and grow within the union. Courses are available for all CUPE 1483 members. To view upcoming opportunities and register, visit: <https://cupe1483.org>

We are pleased to announce that all facilities equipped with air conditioning had continuous air conditioning during work hours this past summer. This is a direct result of our union's advocacy and ongoing discussions with the employer to ensure our workplaces remain safe and comfortable year-round.
