FEC is a not-for-profit member-based national community and learning hub, serving as resource centre for business families and certified Family Enterprise Advisors (FEAs). FEF, as the research and fundraising arm, supports members with unique, globally recognized resources. Offered in collaboration with educational partners across Canada, the FEA program and professional designation is a global standard in Family Enterprise advising.

Reporting to the respective Boards of Directors, the President & CEO is responsible for the strategic leadership, team development and successful management of the organizations. As the most senior executive of both FEC and FEF, the President & CEO is the face of the organizations, championing their vision, mission and goals and enhancing media, public and government relations, marketing and communications to raise awareness of FEC/FEF nationally and globally. Internally, the President & CEO will build, lead and develop an empowered team (of approximately 20), creating an inclusive, collaborative and impact-driven environment. The new President & CEO will help FEC/FEF revitalize its strategy and seize opportunities related to increasing sustainable funding, expansion of the membership base (of both families and advisors) and development of new partnerships locally and globally.

An understanding of family enterprise, family business or private enterprise is a significant asset. With a track-record of strong stakeholder engagement and successfully leading organizational transformation and growth, you bring an entrepreneurial approach and are equipped to offer stability and leadership amidst periods of change and innovation.
