

## **Strides Toronto**

### **Director, One Stop Talk/Parlons maintenant**

Strides Toronto seeks a strategic and innovative leader for the newly created role of Director, One Stop Talk/Parlons maintenant (OST/PM). This role offers an exceptional opportunity to lead the expansion and evolution of an innovative, province-wide mental health service.

*"We are proud to be a part of a province-wide, system-level response to meeting the mental health needs of children and youth. In addition to providing in the moment care, One Stop Talk/Parlons maintenant connects young people to local services when needed."*

**Janet McCrimmon**  
**President and CEO, Strides Toronto**

#### **ABOUT STRIDES TORONTO AND THE OST/PM PROGRAM**

Located in east Toronto, Strides Toronto is both a multi-service agency and Lead Agency, providing a wide range of exceptional programs and services that improve the mental, social and physical health of infants, children and youth from the pre-natal stage to age 29, and their families. With a range of community, residential and treatment services, Strides Toronto builds strength and resilience through equitable, accessible, client-driven services, system leadership and advocacy.

The OST/PM program is a groundbreaking new virtual counselling initiative that connects children and youth across Ontario with immediate access to mental health services through innovative technology and collaborative partnerships with Lead Agencies and Core Service Providers throughout the province. OST/PM is a Ministry of Health funded initiative that will ultimately connect nearly 70 agencies across Ontario. To learn more about OST/PM, visit: <https://onestoptalk.ca>

#### **THE OPPORTUNITY**

The Director, OST/PM provides province-wide strategic and operational leadership for this first-of-its-kind initiative. This highly visible role is responsible for external partnerships and system-level collaboration, while providing internal direction to ensure high-quality service delivery aligned with best practices. With an operating budget of \$4.45M and a growing team, this role manages key partnerships, drives program implementation and development, and reports into the Vice President, Strategy and a provincial steering committee. The successful candidate will have the opportunity to shape this growing team while maintaining strong virtual leadership and accountability frameworks.

Key areas of responsibility include:

- Leading strategic development and provincial expansion while maintaining service quality and onboarding 40+ provincial partners over the next two years
- Building and maintaining strong relationships with Lead Agencies, Core Service Providers, and the Ministry of Health
- Ensuring OST/PM is responsive to the unique needs of Ontario's diverse communities, including Indigenous, Black, Francophone and other equity-deserving populations
- Developing marketing and engagement strategies to drive service utilization
- Overseeing technology platform optimization and data management processes
- Implementing quality improvement frameworks and evaluation systems

- Exploring opportunities for system integration
- Effectively leading and inspiring a remote team

## **ABOUT YOU**

As the ideal candidate, you bring experience in healthcare planning, administration, or system coordination, with a broader health and social services systems in Ontario and how child and youth mental health integrates into that system view. You have proven success leading complex, multi-stakeholder initiatives and are skilled at building compelling cases for partnership and engagement. Your experience includes leading program operations and program management, managing formal governance structures, facilitating high-level committees, and navigating ministry relationships. You thrive in relationship building and can effectively promote program value while handling sensitive partnership discussions.

You are a dynamic leader who can balance high-level strategic thinking with operational oversight. Your collaborative leadership style allows you to effectively work with diverse stakeholders while maintaining strong accountability frameworks. Your background includes meaningful engagement with diverse communities, including members of Indigenous, Black, Francophone communities, and other equity-deserving populations, along with experience managing virtual teams and scaling programs across multiple partners.

Post-graduate education in health administration, social work, health sciences, public administration, business administration, or related fields is required.

This position operates in a hybrid work environment, with required attendance at the Strides Toronto office.

The target hiring salary range for this role is \$117,000 to \$133,000, with an attractive benefits package.

Applications will be accepted until the position is filled.
