

A collage of four images related to an event bazaar. The top image shows a display of small, square, white ceramic tiles with black and red illustrations of people in traditional attire, arranged on a shelf under warm, patterned pendant lights. The middle image shows a large, intense fire with bright orange and yellow flames. The bottom-left image shows a close-up of a large, clear, faceted crystal chandelier. The bottom-right image shows a display of various items, including a large, ornate, white ceramic vase with a floral design, and several small, square, white ceramic tiles with black and red illustrations, arranged on a shelf under warm, patterned pendant lights.
