

Fidelity Monitoring Process

School principals are responsible for fidelity monitoring with support from applicable individuals.

	Monitoring Frequency (per marking period)	Monitoring Examples
Tier I	At least once ($\geq 1x$)	• Observation of teacher during I&RS • Review of weekly lesson plans, pacing guides, & teacher-submitted daily schedule • Support/Grade/Content team meetings in which data is reviewed and discussed
Tier II * **	<u>Intervention</u> : $\geq 3x$ with 2 direct observations <u>Enrichment</u> : $\geq 2x$ with 2 direct observations	• Observation or fidelity checks during intervention • Review of intervention lesson plans and/or schedules including attendance, parent reports, if applicable • Review of progress monitoring or benchmark data
Tier III * **	$\geq 5x$ with 3 direct observations and 2 reviews of implementation data	

*Unannounced fidelity checks

**Integrity must reach 80%. That is, during each observation intervention is being provided 80% of the time consistent with outlined practice steps. Support must be provided to interventionist until 80% on fidelity check is reached.
