

Example SMART Goals:

Reading Fluency

Specific

The intervention team will implement daily small-group interventions focusing on phonics and sight word recognition for identified second grade student(s).

Measurable

By the end of the 6-week timeframe, student will increase their reading fluency by 20 words per minute on a grade-level passage.

Achievable

This will be achieved through targeted instruction and using progress monitoring tools to track individual student growth.

Relevant

Improving reading fluency is essential for overall academic success and aligns with second grade ELA standards.

Time-Bound

The goal will be assessed at the end of the 6 weeks using times reading passages.
