

Example SMART Goals: Writing Skills Development

Specific

The intervention team will work with fifth grade students to improve their writing skills, specifically focusing on sentence structure and punctuation.

Measurable

By the end of the academic year, 75% of these students will demonstrate improved writing skills in their assignments, achieving at least 75% clarity.

Achievable

Interventions will include regular feedback on student writing and targeted mini-lessons on specific writing skills.

Relevant

Improved writing skills are crucial for academic success in all subjects.

Time-Bound

This goal will be assessed at the end of the academic year by evaluating journal entries for clarity.
