Bartending Services

Our bartending services are designed to provide professional and reliable beverage service for your event while allowing you the flexibility to supply your own alcohol and bar items.

Bartenders are available at a rate of \$40 per hour, with staffing requirements based on guest count to ensure efficient service throughout your event:

- 1 Bartender: 1–75 Guests
- 2 Bartenders: 76–175 Guests
- 3 Bartenders: 176–250 Guests
- 4 Bartenders + 2 Separate Bars Required: 250+ Guests

Bartending services include professional bartenders only. Clients are responsible for providing all alcohol and bar supplies, including mixers, cups, drink stirrers, napkins, ice, and garnishes. However, we are happy to provide a fully customized shopping list to help make the planning process simple and stress-free.

For the safety of your guests and staff, alcohol service is limited to a maximum of 6 hours. At the conclusion of the event, our team will pack up all remaining alcohol and load it into a designated vehicle of your choice before departure.
