Church's Theme: "Being A Fruitful Branch in the Vine of Christ"

From The Pastor's Desk
"Need For A Church"
Rev. Dr. Percy R. Chase

At times the question is asked, "What need is there for a church?" That question is not disrespectful, and as Christians, we should always be eager to give an answer. Where there's a need for redemptive work, there's a need for a church.

Any person, believer or non-believer, need only look within himself/herself, and the answer is soon discovered. All that hinders us from good, productive living, and witness for Christ, the church stands against. The church is the avowed enemy of anything that is wrong. Her redemptive work, in part, is to eliminate bitterness from our souls.
