"Church Work"

Rev. Dr. Percy R. Chase

"A time to work, to rejoice, and "To Be Thankful!" The work of the ministry has been prospered by the Lord in all areas at Community Baptist Church. As we prepare for Thanksgiving season with our families, let us be Health-minded of the love of Christ, the use that He has given our bodies to have, and the opportunities for being useful in His church.

May you and your family have a Blessed Thanksgiving. Let us be thankful for God's Blessings and continue to work in love and harmony in God's kingdom.

Prison Ministry Update

Christmas toys and gift bags are the 2 activities presently being held at the Orange County Correctional Center. Churches and individuals donate new toys for the men to pick out and give to their children during family visitation at Christmas. The unwrapped toys should be delivered to the Peace Ctr. during November 27-30 for children from infants to age 16. Gift bags of toiletries such as soap, toothpaste, deodorant, lotion, etc. will also be collected for the men there in boxes in the fellowship hall prior to deadline. For additional information, contact Brother Melvin Speight.

**Veterans Day
November 11th**

Veterans Day is important because it is a chance to acknowledge the sacrifices of the men and women who served or are currently serving in the armed forces of the United States. This holiday was originally known as Armistice Day which was proclaimed in 1919 by President Woodrow Wilson on November 11th of each year.

CBC Revival

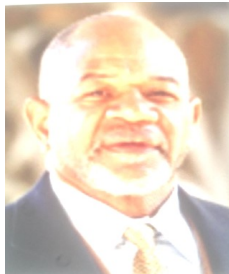

During the week of October 14th–17th, Community Baptist Church held a very spiritually enlightening week of nightly services. With the participation of several visiting choirs, four area ministers preached nightly as all were religiously engaged. The congregation and community looks forward to this annual church fall program. Below were the 2019 visiting ministers.
