BREW NEWS

NEW YEAR, DELICIOUS BEERS

HAPPY NEW YEAR from Brewery 99! The new year is often a time when we think about the past and contemplate the future. We start to set goals for the upcoming year and hope that we stick to our resolutions. Many people take this time to reset and take a break from their social media accounts and TV, or heck even beer!

Here at Brewery 99, we are doing pretty much the same thing (except for the “no beer” thing). We are taking time to reflect on 2022, setting goals, and looking into the future of Brewery 99.

You can see the progress we have made in the construction of the new taproom (1030 Pollock Street). Inspections have been passed, insulation and drywall are being installed, and the new exterior doors are ready to be put in place. The construction crew and our general contractor (Pete Frey) have been working tirelessly to get everything ready. When will the doors be open? We may not have an exact date yet, but soon, we promise!

EMPLOYEE SPOTLIGHT: DANIEL "DUNCAN" PIRAINO

In March 2020, Duncan arrived in the dark, introduced himself, and asked for a job. Then made an attempt to exit. I was impressed that he had taken the initiative to ask for a job and was entertained at this attempt to open the door. He came back a few weeks later to remind me, which again, I was impressed at his persistence and again entertained at his attempt to exit. I was immediately reminded of my favorite Farside cartoon (see right), and I knew right away he would be a perfect fit at 99.

--Pete Frey

Thank you Duncan for being our fire-twirling banana Dan! Here are what some of our patrons say about Duncan:

Duncan is welcoming, friendly, sweet, funny, kind, free spirit with amazing crocheting skills! Always a pleasure for us to see his face on either side of the bar at Brewery 99!--Jacqueline Waring-Smith

His friendly smile. His hair! And his knowledge of the goings on in New Bern!--Bev Young

A fun-lovin', artistic bohemian with fantastic hair. The only man who can pull off wearing women's sandals. I will never forget the Hot Buttered Grits show at 99. By the end of the show, all the members of the band were adorned with crocheted berets. --A'Lissa Clark

Duncan is equal parts goofy and kind. He has an accepting personality and always leaves you with a smile on your face. What we love most is watching him spin fire in his banana suit! It has been inspiring watching Duncan grow at Brewery 99! --Emily & Kendall Wall

Duncan has the sweetest spirit and an infectious smile! He treats everyone as a friend and you can't help but love him. --Dawn Jones

His beautiful smile that greets us all the time! Always happy to chitchat pretty much about anything with anyone (personable), his crazy outfits that seem to fit his personality spot on and of course his fire twirling!--Patty Rudy-Mallad

Duncan is an extremely talented free spirit and kind soul. He is also a very unique and eccentric person. (Like me but cooler) I love his fashion sense and wish I could dress like him on a daily basis. He's a good friend of mine although we haven't hung out in quite some time. --Hunter Lamm

Always friendly and open to being anyone's crafting pal!--Rachel Burger

Duncan Piraino, Taproom Hero

HAPPENING IN THE TAPROOM

A Chaos Agent is someone who intentionally creates chaos for their own enjoyment; someone who could easily avoid chaos, but doesn't. The Chaos Agent as a beer has a rich and complex aroma, with a full body that takes on a roasted malt character with notes of dark chocolate. The Chaos Agent has a noticeable alcohol warmth and a dry finish. We took this popular seasonal and put it in a whiskey barrel and aged it for months. Now it is time to indulge in its deliciousness!

Sign Our Yearbook!

We would love to have you sign our first ever Brewery 99 Yearbook. You can find it in the taproom. Ask your bartender for a pen!
