

### WHO WE ARE

We are proudly family-owned and operated in Oklahoma. Our passion lies in machining, where precision and quality are at the forefront of our work. We specialize in advanced manufacturing techniques, providing cutting-edge solutions to meet the needs of our clients. We just added high volume turning work center to our shop. Contact us today to learn how we can help your business thrive in the world of manufacturing.

### WHY CHOOSE US

#### Deep Manufacturing Experience

Over a decade in the industry, allows us to deliver precise in-house manufacturing using advanced technology and CNC machining.

#### Consulting Expertise

Expert consulting in CNC machining and lean manufacturing, with over a decade of experience. We optimize your processes and resources.

#### 3D Printing

We provide high resolution rapid prototyping services. Whether it be small batch production runs or one-off parts, we can provide a solution for your 3d printing needs.
