Due to the new variant of COVID-19 and the increased infection rate, we are asking all participants to wear a mask while at the event. We are also asking participants to choose whether they would like to pack indoors, outdoors, or are flexible depending on availability. We will be sending an email the week before the event with a button to indicate your preference. If you are uncomfortable packing in person, please know that we completely understand. We would ask that you prayerfully consider using your registration fee as a donation to help underwrite the cost of the raw ingredients being shipped in from Iowa.
