

# June Edward, Relationship Mastery Expert AND PSYCHIC MEDIUM

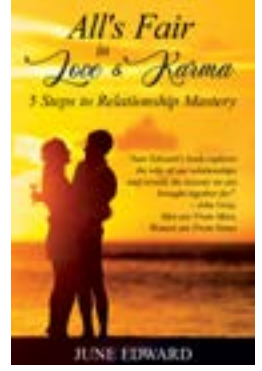

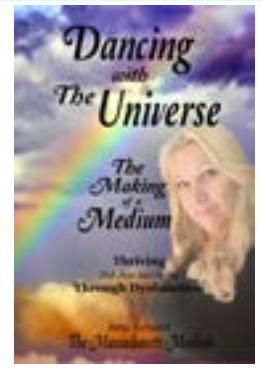

WILL SHOW YOUR AUDIENCE HOW TO  
*Improve Relationships  
Personally AND Professionally*

June Edward has been psychic since childhood. *She didn't realize she was also a medium until later in life.*

June experienced a NDE (near death experience) when she was 27 years old, and came back to this side, by choice.

She can offer firsthand experience that Life after Life does exist! June's sold-out group readings can offer insights to the best path for your life and help to reveal what the Universe has in store.

June's special gifts include working directly with the angels, guides and departed souls. These combined tools have made her a very strong and accurate relationship mastery expert and psychic medium, able to reveal validating details to help audiences get the most out of their lives and relationships, both personally and professionally.

June's Books: *Dancing with the Universe, All's Fair in Love & Karma, The Desiny Card Journal,* and *A Night on the Other Side,* are all available at [JuneEdward.com](http://JuneEdward.com).
