Leadership and Employee Performance Specialist | Coach

I regularly work with clients on:

### Personal Success

- Uncover your strengths & energy to follow the right path
- Unlock your unique value for maximum impact
- Create alignment & synergy for improved relationships

### Leadership Success

- Create empowerment for yourself and your team
- Build a charismatic leadership offering
- Apply political wisdom and build trusted relationships

### Organisational Success

- Build Change Agility in your team
- Create team alignment to accelerate integration and vision
- Leverage leadership insights about what is hampering transformation

I am a change expert and experienced coach specialising in enabling leaders, teams, individuals and organisations accelerate change.

I have had the privilege of enjoying a successful 30 year career in Fortune 100 high-tech organisations across Personal and Leadership Development, Change Leadership, Customer Loyalty and Global Country Leader Excellence.

From this experience, I hold the belief that when we shift to a healthy relationship with change, it empowers us to be successful and it creates space for amazing things to happen.

CHANGE  
TEMPO

*"Unlike the other coaches I worked with, Amanda never tried to make me become someone else, not even a hint of it! She coaches me to discover and appreciate my own gifts and strengths, and more importantly, to treat each challenge as an opportunity to utilise those unique gifts."*

Leader, User Experience Design

*"I could blindly recommend Amanda's services to anyone who aims for a true kicker for growth and excellence of their leadership skills. Seek no more, she is the ONE!"*

EMEAR Finance Director

*"The research Amanda carried out proved to be a great help to assess how the change is perceived by stakeholders. The results were presented to my management team and a clear set of actions and deliverables were created to improve the situation"*
