INSPECT BEFORE YOU INVEST.

THE FRUIT TEST

A 60-SECOND RELATIONSHIP CHECK

- ☐ 1. Do their actions consistently match their words?
- ☐ 2. Do they treat everyone with respect—
not just people who can benefit them?
- ☐ 3. Do they consistently bring peace
rather than confusion?
- ☐ 4. Can they admit when they're wrong
and take responsibility?
- ☐ 5. Are they teachable, humble, and willing to grow?
- ☐ 6. Have I observed consistent patterns over time?
- ☐ 7. Am I making this decision from wisdom
rather than loneliness or fear?
- ☐ 8. Does this relationship draw me closer to Christ?
- ☐ 9. Do I have genuine peace about moving forward?
- ☐ 10. Have I prayed and allowed God to guide this decision?

Remember

Don't be rushed
by chemistry.

Don't be blinded
by potential.

Don't ignore
consistent patterns.
