

# At Cause E Card Group Selection Form

\_\_\_\_\_ is participating in a unique fund raising program. We do not have to purchase any products for resale. Therefore, you do not purchase anything from us. The At Cause Inc fundraising program does not require any financial investment on the part of our Non-Profit Organization to participate, ever! That's right, it cost us nothing!

The program is supported locally by our neighbors' businesses through the use of an At Cause E Card that is not sold nor are there any registration requirements from At Cause Inc. **THEY DON'T NEED, NOR WANT, YOUR EMAIL ADDRESS!**

The At Cause E Card (sample shown to the right) is sent electronically (by us) to you (The Cardholder). Once you receive your At Cause E Card you may shop at any Participating Business. The Participating Business then sends a % of the Subtotal of your purchase to At Cause Inc and they send 100% of that to us. (Note the % shown on the At Cause E Card for that business)

Example: Diane has her hair cut and a two color foil at Island Beauty Styling Salon, cost \$150. At the time of Diane's purchase she asked the cashier to sign the receipt. Then Diane wrote the Org# N001A and the Team #06 on her receipt. She took a picture of the receipt with her cell phone and text the picture to 321-616-5242. AT Cause Inc collects 10% of the SubTotal, \$150 (\$150x10% = \$15.00) and sends \$15.00 to our organization credited to the Team #06's account.

Please select one below. This will be the Group/Team of choice for your At Cause E Card. Once we have your completed Group Selection Form, At Cause Inc will enroll the Participating Businesses, produce the At Cause E Card, send them to us and we will distribute them to you. Once you have your At Cause E Card it is encouraged that you give copies to your family, friends and co-workers. Please, share with everyone! The more friends and family shopping at Participating Businesses the more money will be raised for your favorite Group/Team!

**Once again, there is no cost and no email registration requirements with the At Cause Inc fund raising program!**

However, I do need some information to get the At Cause E Cards to you.

**HOW TO USE THIS CARD - THIS IS NOT A DISCOUNT CARD**

Present your At Cause E Card at the time of purchase. The Participating Businesses have agreed to pay At Cause Inc the percentage shown on your card of the subtotal shown on your purchase receipt as an advertising fee. At Cause Inc then pays directly to the Participating Non-Profit Organization identified on this card 100% of those proceeds as a donation earmarked for the TEAM or CAUSE coded on your submitted authorized receipt.

**After completing your purchase at the Participating Business:**

- 1) Have the cashier sign your receipt.
- 2) Make sure the business name, address, date, itemized charges and subtotal are shown on the receipt. If not, request the cashier to write the missing information on the receipt.
- 3) Complete by writing the Organization Number and Team or Cause Number shown on your At Cause E Card onto the receipt.
- 4) Submit the receipt to At Cause Inc by **JUST ONE** of three different ways:
  - TEXT a PHOTO** - Take a picture with your smart phone and then text a clear image of the receipt to 321-616-5242, or;
  - MAIL your RECEIPT(S)** to: At Cause Inc, P.O. Box 780085, Sebastian, FL 32978, or;
  - EMAIL a PHOTO** - Take a picture with your smart phone and then email a copy of your receipt to: rec@atcauseinc.com

At Cause Inc will then collect payment from the Participating Business and forward payment to the Organization with an accountability of disbursement to the proper Team or Cause.

Any unexpired At Cause E Card can be presented to any active Participating Business within the United States, whether shown on your card or not, and funds will be sent to the Organization identified on your At Cause E Card. Visit www.atcauseinc.com for a list of Participating Businesses. While traveling look for At Cause E Card Participating Businesses in that area.
