

KUHN'S RED ANGUS

Red Cow Dispersal

MONDAY, FEBRUARY 9, 2026 • NAPOLEON, ND • 1:00 PM

Welcome

Welcome to our 2-6 year old and flush cow dispersal sale! We are so thankful and excited to have you all here to take advantage of the great opportunity. It is not every day that a Red Angus buyer is able to purchase this amount of high-quality, functional females that have been intentionally selected for peak genetic performance. As some of you are wondering, the reason for the sale is because we are slowing down. Our oldest is going off to college, and we are deciding to focus on a smaller number of cows.

A little bit about the family so far. Kyah, our youngest, turned 9 in September, and is in 3rd grade. She loves going to school to hang out with her friends, but she is excited for the school year to end. She is currently on the 3rd grade girls' traveling basketball team, and is excited to get to play sports when she is older.

Brock, our youngest boy, is about to turn 12 in June and he is a 5th grader. Brock likes to stay home more than go to school, and is an avid help with feeding and other work around the farm. Brock played football this past fall, and he enjoyed it as well!

Hudson, our oldest boy, is an 8th grader this year, although he is the height of a senior! Hudson helps around the farm a lot, but he likes to get off it as much as he can! He enjoys going ice fishing, driving around, or going to games in town. He was also in football this past fall, and is currently in Livestock Judging with his oldest sister Elodie!

Reagen is the second oldest and she is currently a sophomore. She enjoys hanging out with friends and driving around town. She is in FCCLA, where she participated in District Leadership.

Finally, Elodie is the oldest, and she is a senior. She plans to attend South Dakota State University this fall for a major in animal science with pre-veterinary medicine emphasis. She is involved in FFA, where she is chapter president, FBLA, where she is chapter treasurer, Student Council, Honors Society, Drama, Speech, and North Dakota Junior Red Angus. She will graduate this May as her class's valedictorian!

IN CLOSING, WE WOULD LIKE TO THANK EVERYBODY FOR TAKING THE TIME OUT OF THEIR BUSY SCHEDULES TO SUPPORT US!
