

Reflections on God's Work in 2025

God continued to expand our ministry in 2025.

We were able to reach into 6 individual communities and come alongside the Pastors and leaders of those communities.

Each community is unique, so we partner with them to do the type of ministry that meets the specific needs of that community and support the vision of the Pastor and leaders there.

Our six communities are:

- Herrera, Santo Domingo
- Villa Verde, Santo Domingo
- Palave, Santo Domingo
- Malpaez, San Cristobal
- Najayo, San Cristobal
- La Cumbre, Bonao

As the hands and feet of Christ, we minister through very practical ways to our communities.

We partner in hosting Medical Clinics by supplying the medicine needed. We teach Dental Hygiene Talks and supply toothbrushes and toothpaste. We use donated funds to purchase groceries for food boxes to bless families in need. We host outreaches to the women and teenage girls in numerous communities.

We share the hope of Christ and the plans that God has for each of His children. Through generous donations we were able to donate school supplies to many communities. God is Good!

Prayer Requests

- Pray for the teenage girls in our communities. Our desire is to continue to grow our connection with them. Many come from difficult environments. Pray that they will hear God as He gives them wisdom to make good decisions.
- Pray for each of our Pastors and leaders in the different communities where we serve. They are the ones who are in daily contact with each family, and are encouraging and guiding them toward God.

Upcoming activities!!

We have been very busy already in 2026. We hosted a Missions team from MN/WI, the end of December into the beginning of January.

During this time we were able to distribute food boxes, host Bible teaching events for children, teens, men and women.

We were also able to use our painting skills to bless a local church by painting the sanctuary and painting the exterior of a house for a local family in need.

Over the next month, we will be hosting events for our teen girls and a dental hygiene talk and medical clinic in nearby communities. We are only able to do these ministries with your help. Here is the cost breakdown for some of our ministries:

- Medical clinic costs- \$800-\$900
- Dental Hygiene Talk- \$200-\$250
- Food Boxes- \$30-\$35

If you would like to donate to help fund these ministries, you can reach out to us at: www.pasiondeservir.org.

Message from Daniel and Carolina

We are deeply encouraged by what God is doing in our communities. Watching children, teenagers, and even adults grow in their knowledge of God's Word and in their faith, reminds us of the blessing it is to serve as instruments in His hands.

Through our work, we continue planting seeds of hope amid great need, sharing the truth that lasting peace is found only in God. We dream of a brighter future for every person we reach, especially the children, praying to one day see them become loving spouses, devoted parents, community leaders, and mature followers of Christ.

We are sincerely grateful to each donor for your prayers and faithful support.

Without you, this beautiful work that God is doing in our communities would not be possible.

Together, we are making a real difference in the lives of those who need it most. Thank you for your continued support! May God bless you abundantly!
