Learning Made Possible

Building Stronger Collaboration through Creative Expression (Awareness)

INTRODUCTION

This workshop helps participants understand and practise the core elements of collaboration through creativity-based activities such as storytelling, visual thinking, group ideation, and reflective sharing. The creative tasks act as metaphors for workplace teamwork, allowing teams to explore communication, trust, and alignment in a safe and engaging environment.
DURATION

4 hours

WHO SHOULD ATTEND

This course is designed for Employees, cross-functional teams, supervisors, managers, project teams.

FEES

RM 430.00 per pax

COURSE CONTENT

By the end of this workshop, participants will be able to:

1. Describe the core principles of collaboration and the barriers that commonly arise.
2. Recognize how diverse communication styles influence team effectiveness.
3. Apply creative thinking techniques to enhance idea-sharing and problem-solving.
4. Strengthen empathy, listening, and shared perspective through guided creative expression activities.
5. Translate creative collaboration lessons into practical workplace actions.
