EXPERIENCE
QUALITY
VALUE

Columbia Millworks is Utah's premier custom door and millwork supplier. Our experienced team will take the time to look at your ideas and provide you with the products needed to make your finish carpentry ideas a reality.

From entry level homes to multi-million-dollar estates, we have the products and knowledge to meet your needs.

Our commitment to detail and understanding of the installation process sets us apart from the "lumber yards". Trust your projects to **finish carpentry experts.**
