

Eagle Mountain Volleyball

Alliance Sportsplex / EMV Pandemic Protocol

- No parents or spectators will be allowed in the building
- Players will enter and exit through separate doors to minimize contact with other athletes.
- Players will line up outside the front doors in the roped off areas while maintaining social distancing. 6 ft spaced marks will be made to assist with proper social distancing.
- Doors will open for practice as soon as possible after their court is emptied of the prior team.
- We will be taking the temperature of every coach, employee, and player who enters the building.
 - If they have a fever over 100.4 they will be sent home. Players & employees sent home will be recorded in a log to ensure that protocols in place for their return are followed.
 - Employees and players who are sent home will not be allowed to return until at least 3 days have passed since recovery(resolution of fever without the use of fever-reducing medications); and the individual has improvement in symptoms (e.g., cough, shortness of breath); and at least 10 days have passed since symptoms first appeared. Parents will need to contact Abbi Randle at scheduler@alliancesportsplex.com to arrange approval to return to practices/tournaments.
 - If players display signs of illness during practice or have a fever when they enter they will be sent home immediately. Parents will need to contact Abbi Randle at scheduler@alliancesportsplex.com to arrange approval to return to practices/tournaments.
- Teams will have approximately 5000 square feet in which to practice.
 - •Players will have double the space they normally have for practices to allow them to maintain social distancing. There may be some drills where such distancing is not feasible so coaches will instruct them on cough etiquette, cleanliness, and sanitation. Additional hand sanitizers will be at each court to help facilitate this.
- Coaches are not to schedule water breaks at the same time as other teams in the building.
- There will be hand sanitizer bottles at each court and extra bottles available around the facility.

- Alliance SportsPlex staff will be sanitizing restrooms, doorknobs, and benches in between practices and periodically throughout the day.
- Floors will be cleaned with a commercial floor cleaner daily.
- Volleyballs will be sanitized with cleaners recommended by the volleyball manufacturers between each practice.
- All unneeded bleachers, benches, and other seating will be marked off so that it cannot be used.
- Water fountains will be marked off limits, players must bring their own water bottles or purchase from the concession stand.
- All employees and contractors will be required to wash or sanitize their hands upon entering.
- Alliance SportsPlex employees will wear face coverings while taking the players temperatures as they enter.
