

Texas East Division 2026 Ministry Newsletter

Celebrating a year of faithful service, community outreach, and changed lives

2026 Highlights

- 520 teams fished and attended banquets
- More than 1,500 meals served
- Thousands of dollars in door prizes and outreach gifts
- Children received fishing gear and First Step Children's Bibles
- Youth and adult Bibles were distributed
- 36 documented first-time decisions for Jesus

From the Ministry Trail

The Texas East Division used tournaments, banquets, and community events to create welcoming environments for families and anglers. Every meal served, Bible given, prize awarded, and scholarship donated became a practical expression of ministry.

Most importantly, 36 people made documented first-time decisions to enter into an eternal relationship with Jesus Christ. That is the greatest success of the year and the reason this ministry exists.

Mission Projects, Scholarships, and Christmas Outreach

In 2026, the division donated thousands of dollars to mission projects and supported local high school students with donations and scholarships for college. The ministry also took on Christmas projects to provide gifts for needy children and families in the fishing communities served by the division.

Partner spotlight

Thank you to every sponsor, volunteer, church, family, and angler who gave, served, prayed, cooked, welcomed guests, and helped carry the ministry forward. Your partnership made a lasting difference.

A Closer Look at the Impact

Teams and banquet attendance	520 teams
Meals served	1,500+ meals
First-time decisions for Jesus	36 people
Major giving	Thousands of dollars

The Next Generation

Children who attended were included in the giveaways and received fishing gear as well as First Step Children's Bibles. These gifts reached families with both practical encouragement and the truth of God's Word.

The Greatest Catch

Fishers of Men Ministries celebrates fishing, fellowship, and service, but the greatest catch is always people. We rejoice over the 36 documented first-time decisions for Jesus in 2026 and give God all the glory.

Looking forward

The Texas East Division enters the next season grateful for what God has done and expectant for continued ministry through fishing communities across East Texas.
