Road hazard damage occurs when a tire fails as a result of a puncture, bruise, or impact break incurred during the course of driving in a legal manner on a road maintained by state or local authority.

Examples of road hazards include:

- Nails
- Potholes
- Glass

**Up to \$800 for 12 months after ownership
with a max benefit per incident of \$25 for
repairs or \$200 for replacement**

When you experience a flat on an eligible tire caused by a covered road hazard, bring your vehicle to the nearest RNR Tire Express location and it will be either repaired or replaced. There is no out of pocket expense to you up to the limits of the benefit as long as you return to RNR Tire Express. If you must take your vehicle to a different location you must first obtain approval for service, and pay for the repair or replacement. You will be reimbursed up to the benefit limit after submitting the claim.

TIRE HAZARD REPAIR

When your registered vehicle experiences a flat tire due to a covered road hazard, reimbursement will be covered for the permanent patch/plug and labor to perform the tire repair at a participating RNR Tire Express store location or licensed repair facility up to \$25. You are responsible for all repair costs over \$25 including, but not limited to, mounting, balancing, taxes and miscellaneous fees.

What Tires are Covered:

Roll Pro Plus covers only the tires installed on the vehicle which is registered with your membership and is clearly identified by year, make, and model from your store location identified on the tire purchase invoice.
