

National Walking Horse Association

The National Championship Show – Release to Pull Shoes

I, the undersigned, have the authority to represent the owner/trainer/agent/legal guardian and the authority to accept the terms below to execute this release.

No entries will be accepted unless this release is signed.

The undersigned, as owner/trainer/agent/legal guardian hereby releases, holds harmless, and indemnifies the National Walking Horse Association and its Officers, Directors, Employees, and Farrier from any and all injuries, accidents, deaths, and all acts of omissions resulting from the removal of my horse's shoe.

I consent to the inspection of the foot/h hoof by a veterinarian licensed in the state of Tennessee or Designated Qualified Person and to the weighing and measurement of the shoe.

I understand that the shoe will be replaced by/or the NWH National official farrier at no cost to me. I understand that I may designate another farrier to replace the shoe, at my expense.

I understand that the acceptance of these terms and release is a condition precedent to the acceptance of my entries at the 2023 NWH National Championship Horse Show.
