Executive Director

Dear Friend,

Let me begin with thank you! Thank you for your commitment to our mission and for your generous support through the years. As we close out and celebrate our 65th year, while also planning for the future, I am very grateful to you, your family, and our Burbank community on so many levels.

We had another strong and successful year. This fiscal year FSA cared for over 4700 Burbank residents providing a total of 79,843 units of vital care. You might be interested to know that we served 2014 youth on 19 BUSD school campuses this year providing a total of 17,355 units of care, received 3579 visits to FSA's Student Care Centers at BHS & JBHS, and provided 11,201 units of care to residents living safely and supported in FSA's 3 long-term transitional homes.

1953
2018

I hope this invitation to sponsor FSA's celebration of 65 years of service reaffirms in your mind and heart the importance of our partnership—a partnership built on shared values and ideals. I look forward to the years ahead as we work together to preserve ...

Our shared vision

... for every individual, a safe, healthy, and meaningful life and

Our shared mission

... to provide counseling, prevention, education, and advocacy
to empower children, adults, and families
to achieve psychological, emotional, and social wellness

- a mission more important today than ever before!

Faithfully, Laurie
