Rhizome's 2026 7x7: Containment
 - [website](#)

Rhizome, today announces the line-up for the 2026 iteration of Seven on Seven (7x7), annual landmark art and technology program returning to the New Museum on May 16. Each year since 2010, 7x7 pairs seven artists with seven technologists for a day-long collaboration and gives them a simple challenge: make something new and present the results at a public conference. This year's theme is "Containment" and will include seven joint presentations.
