Blue Mountain Gallery and World Fine Art are pleased to announce an open call for artists to participate in the **3rd Annual WFA Guest Exhibition**, curated by O'Delle Abney. Taking place in August 2026 at Blue Mountain Gallery in Chelsea, this annual group exhibition brings together a diverse selection of contemporary artists working across disciplines. Following the success of the first and second editions, the exhibition continues WFA's mission of providing artists with meaningful exposure in a respected New York gallery setting, supported by professional documentation, promotional outreach, and direct sales opportunities with **0% commission on artist sales**. Artists are invited to submit work for consideration and be part of a dynamic, well-attended summer exhibition in one of Manhattan's established artist-run galleries.
