#### New Work: Winter Portraits

I captured the reference photo for Sunset Snow after a long, icy day. My boots were cold and wet, and I was ready to head home—until the sky began to glow. As the sun set, the sky and snow mirrored each other, and the last light traveled across the face like soft lightning.

**Hello,**

I'm pleased to share a new opportunity designed to better support galleries and artists who offer works for sale online. Beginning January 6, 2026, the NYC Gallery Openings newsletter will include a dedicated "Shop Online" section, where galleries and artists can feature a direct link to their online shop.

This addition was created after receiving frequent submissions that included artworks for sale. Rather than excluding these links, this new section allows your shop to be highlighted clearly and consistently each week.

### **Benefits of being included**

**Increased visibility:** Your shop link appears in every issue of the newsletter read by collectors, curators, and art-engaged subscribers across New York and beyond.

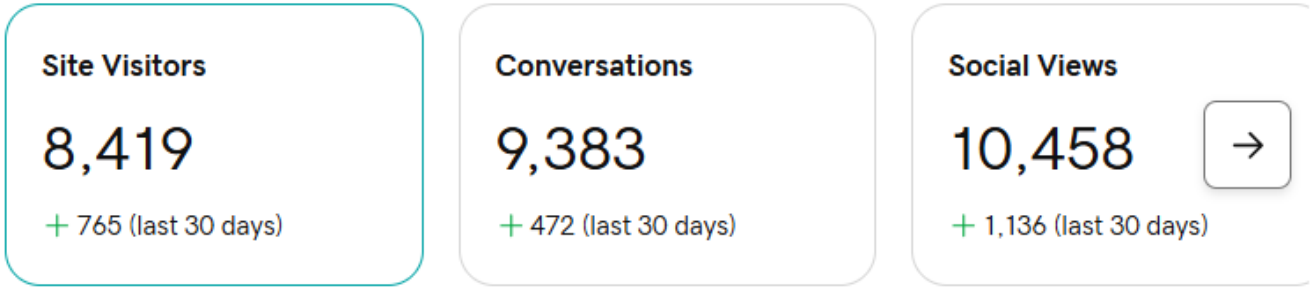

**Direct traffic to your shop:** Readers can click straight from the newsletter to your online store, creating more opportunities for sales and inquiries.

**Reaches both new and returning audiences:** Your listing remains present throughout your subscription period, giving long-term exposure rather than a one-off mention.

**Affordable promotion:** At \$10 per month,(4 newsletters) it's a low-cost way to keep your shop in front of a highly targeted audience of active art buyers and gallery visitors.

**Weekly newsletter email sent:** 400 Galleries, 444 Art Critics & Collectors, 500 Artists, 229 Subscribers, 169 Interior Designers.

**2025 Visitors to the website:**

**Monthly billing** will be on PayPal auto renewal and you can cancel up to 3 days before your next billing.

Since this is a new listing section, if you'd have any questions, please do not hesitate to contact me directly at [info@nycalleryopenings.com](mailto:info@nycalleryopenings.com).

To be listed in this section, send your shop link and follow the existing examples for content. An approval sample will be sent to you before publication.

Thank you,  
O'Delle Abney, Publisher
