

COMPLIANCE STATEMENT

Swarm Industrial supplies industrial UAV systems and multi-drone fleet solutions strictly for **lawful civilian and commercial applications**.

We do not support **weaponization, combat use, illegal surveillance, terrorism, sanctions evasion, unauthorized payload delivery** or any activity prohibited by export control laws, aviation regulations or destination-country laws.

All inquiries and orders are subject to destination, end-user, end-use, product classification and **compliance review**. Certain countries, payloads, quantities or application scenarios may require additional **documentation, licenses** or **approval before delivery**.

We are committed to responsible technology, legal compliance and safe, ethical, and sustainable industry development.
