

Attention valued Buckwheat Growers,

Minn-Dak Growers is a large speciality miller of buckwheat, located in Grand Forks, North Dakota. We have released our 2024 crop Manitoba program which will entail the seed, pricing, and contract availability.

Give us a call to learn more about our program and to lock in your profits for the 2024 crop season.

Following Minn-Dak Growers acquisition by Hensall Co-op, a farmer-owned and fully independent agricultural co-operative, Minn-Dak Growers will receive support from Hensall Co-op in contracting buckwheat in Manitoba starting in 2024.

For more information, please contact one of the following Hensall Co-op representatives for assistance:

**Calem Alexander, Miami MB**
