**National President – USA TISI SANGAM**

Mr. Bal Ram (USA TISI National President)

Welcome to USA Sangam Newsletter Volume 2, where we hope to keep our members fully informed and connected with our past, present, and future Sangam activities.

It's my pleasure to commend all district presidents, members, and Sangam families for their contributions to moving USA Sangam to great heights.

The National Convention was a resounding success despite the challenges we faced.

This triumph is a testament to our unity and understanding, and it paves the way for an even better convention next year, hosted by Seattle Sangam.

The annual general meeting of USA TISI & TIMS was convened successfully, with a record number of members present. This overwhelming turnout is a testament to our unity and solidarity as a community.

The tournament's Official opening was blessed by the Chief Guest, Mr. Kamlesh Naidu, the President of New Zealand TISI Sangam. We had the opportunity to witness an exciting Bharatnatyam performance by Komal Gounder from Seattle.

It was very enlightening to see all six districts participate in the 2024 convention in Hayward.

Our Sports Chairman, Mr. Vijay Gounder, demonstrated exceptional courage and professionalism as Vice President and Chairman of the National Sports Committee. His efforts were instrumental in completing the volleyball and soccer tournaments.

Thank you, National Mathaar Sangam, for donating to our scholarship program. The Education Board Chairman, Mr. Kamal Gounder, and the entire team displayed their hard work. We congratulate Nandita Chetty of Seattle & Ashlyn Pillay of Sacramento, who received the USA SANGAM scholarship award of \$1200.00 each.

At the last AGM, a significant Motion was passed. This motion states that "The Building Project will be deferred until June 30th of 2026. The individual contributors will have the right to request their refunds until that date, and the National Board can pay them off if they are not willing to be part of this project." I encourage you all to please spread this message within our membership and beyond. It is encouraged that you all adhere to our important dates for celebrations, pooja, and other occasions to remember each other and the past. As we await the next convention, let's give a lot of support to the hosts, Seattle Sangam, in making their tasks as easy as possible.

Please contribute to our newsletters with messages and activity reports so we all keep connected with suggestions and assistance for each district and member.

To all the Sangam families and friends, may the blessings of Lord Venkateswara bring us prosperity, happiness, and creativity. Happy Perrutassi Mahsam.

Bal Ram
