Under the Association Documents, the Board of Directors of Fairfield at Boca Association Inc., has the responsibility and authority for the operation of the Association, management of the Association property and for the establishment and enforcement of the Rules and Regulations. The following Rules and Regulations pertaining to Fairfield have been established by the present Board of Directors and approved by them in the following form. These Rules and Regulations may be modified, added to or repealed at any time by the Board. These Rules and Regulations therefore are in effect at present and all resident-owners, occupants, guests, and lessees are hereby charged with the knowledge of the existence of said Regulations and of the contents of this Document and thereby charged with the responsibility for adhering to them "in total."

These Regulations have been set up, not for the restriction of one's conduct, but rather for the purpose of making living at Fairfield a more comfortable and contented experience for all concerned. In living together, every resident has certain rights and also certain obligations to other owners. The interest you take in your own house or unit and the common areas of Fairfield will encourage all others to take an even greater interest which builds up the value of your choice of Fairfield as your home.

Each resident is supplied with a copy of these Rules and Regulations and must become familiar with its contents. **It is the obligation of every owner who sells or leases his house or unit to deliver a copy of these Rules and Regulations to the proposed lessee or purchaser.**

Residents who remove their bar code and/or attempt to stop at the gate and waive it, etc., will find their bar code deleted and
