

Main Pool Closed Starting: 8/5/2018

Good Afternoon Fairfield Residents,

At this time, both pools within Fairfield at Boca have been approved by your Master Board to be refinished/repared. The company has advised that they will be working on the pools one at a time. With that being said, work on the main pool located at the clubhouse will begin Monday, 8/6/18 and will take (2) weeks to complete - weather permitting. The company has advised that they will be onsite the Sunday before, 8/5/18, to turn off the chemicals to prepare the pool for work on Monday. Since the proper chemicals will not be running through the pool at that time, the company has advised that we close the main pool starting Sunday, 8/5/2018.

While the main pool is being worked on, all residents are more than welcome to utilize the pool located in the back of the community on Pointe Alexis Drive. If you have any questions or concerns please feel free to reach out to our main office. Have a great weekend!

*Thanks,
Ashley Grieco
Administrative Services Assistant
Residential Management Concepts*
