

MAIN POOL IS NOW OPEN!!!

Good Afternoon Fairfield Residents,

Please be advised that the Main Pool located at the Club House is now open!!

The main pool has been resurfaced, new tiling has been applied to both the main pool & the spa, and the giant hole that was present in the shallow end has been repaired.

BACK POOL CLOSED: Maintenance repairs on the back pool will start tomorrow, weather permitting will be completed in (2) weeks.

POOL FURNITURE UPDATE: Residents will notice that several pieces of pool furniture are currently missing. The Association is currently having all damaged pool furniture repaired, it is our hope that they are finished by the time the back pool opens. The pool furniture pieces will include new free standing umbrellas, along with table umbrellas & repaired chaise lounge chairs.

FRIENDLY REMINDER: The onsite office would like to remind all residents that the furniture located at both the pools is very expensive. Please refrain from having children jump from one chaise lounge chair to another, this is an example of why there are currently no chairs available. The

chaise lounge chairs are for lounging & relaxing, not for rough housing/jumping. We appreciate your understanding of this issue!

Our office is extremely happy & excited with the completed work at the main pool, we hope all residents have a chance to come by and enjoy it soon!!!!

For any questions or concerns please feel free to contact the main office at: (561) 368-5738.

*Thanks,
Ashley Grieco
