Club House Pool Closed

Good Morning Fairfield Residents,

Please be advised that the lighting from the storm has tripped the equipment at the pool, causing us to close the main pool for the remainder of the day. The pool maintenance company will be onsite today to address these issues further. The back pool is still open & residents with guest are more than welcomed to enjoy the facility at the back of the community, located on Pointe Alexis Drive.

For any questions or concerns, please feel free to contact the main office.

*Thanks,
Ashley Grieco
Office Assistant*
