Scoutmaster Minute

Aim So High You'll Never Be Bored. The greatest waste of our natural resources is the number of people who never achieve their potential. Get out of that slow lane. Shift into the fast lane. If you think you can't, you won't. If you think you can, there's a good chance you will. Just making the effort will make you feel like a new person. Reputations are made by searching for things that can't be done and doing them. AIM LOW: BORING. AIM HIGH: SOARING.
