

Bora Bunch Scholarship Foundation

The founders and Board of Directors of the Bora Bunch Scholarship Foundation (BBSF) realize the importance education plays in developing young student scholars' academic, political, social, and economic resources. BBSF has prioritized providing opportunities for high school and post-secondary students of the African diaspora to attend and remain in college through financial scholarships. BBSF's mission is to increase the number of students identifying as African American or Black in attending colleges and universities. BBSF fulfills its mission by providing financial assistance to qualifying and deserving students.
