## **INSTRUCTIONS TO MASTERS**

### **Notification of infectious disease, etc., on board**

The Master of a ship must, if there are any circumstances on board requiring the attention of the Medical Officer, send by appropriate means before arrival, either directly or through an agent a radio message, fax, E-mail or other communication to **Nathan Mills Marine**, [nathan@nathanmillsmarine.com](mailto:nathan@nathanmillsmarine.com), +44 (0) 7487 859 966, stating the name of his vessel and the time on the 24 hour clock she is expected to arrive. The message must be sent off not more than 12 hours and whenever practicable not less than 4 hours before the arrival of the Ship.

Where it is not possible to comply with the notification before arrival the Master of a ship must notify the Port Health Authority immediately on arrival, of any circumstances requiring the attention of the Medical Officer.

### **Maritime Declaration of Health**

- (1) subject to the provisions of regulation 15 of the Public Health (Ships) Regulations 1979 as amended where on the arrival of a ship, the master
  - (a) has a report to make in accordance with regulation 13(1)(a), (b) or (c), of the Regulations: or
  - (b) is directed by the medical officer to complete a Maritime Declaration of Health

He shall complete a Maritime Declaration of Health in the form set out in pages 1 to 2 which shall be countersigned by the ship's surgeon if one is carried:

- (2) The master shall deliver the Declaration to the authorised officer, who shall forward it to the local authority.

If, within four weeks after the master of a ship has delivered a Maritime Declaration of Health under regulation 15 or a corresponding provision in force in Scotland or Northern Ireland, the ship arrives in a district or calls at another district, as the case may be, the master shall report to the authorised officer any case or suspected case of infectious disease or tuberculosis which has occurred on board since the Declaration was delivered and which has not already been reported.

### **Restriction on boarding or leaving ships**

Regulation 17(1) of the Public Health (Ships) Regulations 1979 as amended states:

- (1) Where the authorised officer so directs, or there the master is required to make a report in accordance with regulation 13(1)(a), (b) or (c), no person, other than the pilot, a customs officer or an immigration officer, shall, without the permission of the authorised officer, board or leave a ship until free pratique has been granted, and the master shall take all reasonable steps to secure compliance with the provision.
