All About Your Birth Card

The King of Spades Person The Master Card

The people of this card are masters of anything they decide to do. Unless the men decide to stay as Jacks, they always rise to the top of their chosen profession. However, it is interesting to note how many of the men get involved in the arts and entertainment fields and forego most of the power at their disposal. As the most powerful of the Kings, the King of Spades is equipped to handle enormous responsibilities and many have become some of our greatest leaders. It seems that this commission is too great for some of them to bear. I have noted that many of the King of Spades males choose to take the less responsible and more fun and creative path of the Jack of Spades, their Personality Card.

In any case, the King of Spades is the last and most wise and powerful card in the deck. They have a high regard for wisdom, a love of learning, and are willing to do whatever it takes to achieve success and recognition to the extent that they desire. They are capable of managing the largest organizations but don't

always make that their chosen line of work. These people are completely 'fixed'. They will not budge or change for anyone and have tremendous inner strength and resolve. However, these same qualities make most life changes very difficult for them to deal with.

They have indecision about love and close relationships and often they forego marriage for a single life. They are always enterprising and ambitious, rarely lazy or of a lower persuasion. Even though they don't all reach a high place, all of them have the wisdom and rarely do they sink down to lowly acts. With all their abilities, they are often discontent. This can be interpreted as progressiveness or dissatisfaction. When they go within, to the spiritual realms, they are able to penetrate the deepest secrets with ease. These are the MASTERS of our physical and spiritual universes.

Planetary Ruling Card

All About Your Planetary Ruling Card

The Five of Clubs as Your Planetary Ruler

The Mentally and Emotionally Restless Card

This ruling card reflects a very restless side to your personality. Because of it, you are fond of travel, changes of residence and meeting new people. This card also gives you more than average ability to sell or promote products and services. So, you would fit in the role of traveling salesperson quite readily, though this by no means is a sure indication of what you do for a living. The restlessness of this card extends to your romantic life as well. Whether you admit it or not, you probably have a problem with long-term commitments. This could be reflected as your choosing partners who cannot commit just as often as you not being willing to. You have a thirst for adventure that keeps you searching for what lies ahead, and perhaps often leaving the past behind.

However, if you have a business, this is the year to expand and to open up to more prosperity. You are in the midst of a cycle of prosperity.

The Cards Influencing Your Saturn Period

Your Saturn Period lasts from 07/27/2020 till 09/17/2020

Our Saturn Cards often describe who or what are our major challenges or difficulties for the year. However, by facing these challenges, we can learn many things that will aid in our ultimate success. Saturn teaches us patience and responsibility.

Your Direct Saturn Card

The Five of Clubs in the Saturn Period

During this period, you may feel discontent with yourself and these feelings may motivate some of the changes you make now. This could also indicate travel to see a sick friend or travel because of your own illness. More than usual, changes now will not leave you with a feeling of satisfaction, or they may be forced upon you in some manner that is not agreeable to you. This influence could be a motivator of constructive changes in your life.

This would not be a good time to take a vacation or travel so try to schedule any trips either before or after this period. The only exception to this would be if you have a very strong card as the other Saturn Card, such as a four or eight, which could bring satisfactory results with minimal struggle.

Your Vertical Saturn Card

The Two of Diamonds in the Saturn Period

During this period, you may have a money deal or partnership that goes sour, or one that causes burdens or restrictions. This could be a partnership with an older authority figure. Success comes through sustained effort in this union of interests. Under Saturn, your partnerships may have an element of fate, karma or illness about them. They may not be agreeable but with effort you will be able to learn a lot and make steady progress towards your goals.

The Cards Influencing Your Uranus Period

Your Uranus Period lasts from 09/17/2020 till 11/8/2020

About the Uranus Period Cards from This Spread

Everything tends to lighten up and we tend to focus on the people we hang out with both socially and at work. The two cards found in this period will combine to tell you what influences are present and therefore, what is likely to occur.

Things often happen unexpectedly in Uranus or the things that happen have an unusual quality about them. Our Uranus Cards often foretell the success or failure of our relationships at work or in other circles.

Your Direct Uranus Card

The Three of Diamonds in the Uranus Period

This influence can bring indecisiveness and insecurity over labor relations, a real estate deal, or your job. On the other hand, you could get a lot of great ideas for how to make more money and actually branch out in new directions for greater success. You may not be sure that the work you have been doing is the best for you. Your hunches and intuitions relating to money matters may have you somewhat confused at this time though you do have a lot of good ideas. Whenever there is a strong creative energy present like this one, it is up to us to use it to our advantage by accentuating the creative side of it and now allowing ourselves to get too worried.

Your Vertical Uranus Card

The Nine of Clubs in the Uranus Period

Mental frustration and worry are definite possibilities now with some of the problems you may have with co-workers or labor groups. Also there could be a disappointing real estate deal and this is not a good time for real estate speculation. In addition psychic experiments could prove to be disappointing. Do not expect much from others at this time and adopt a more giving and universal approach in work and friendships to access the potential of this card.

The essential meaning of this card is the ending of some plan or mental occupation. This could represent the ending of a job or of a way of thinking. This card only means that it is over. Whether it is experienced

by you as a completion or a disappointment will be based upon your own attitudes about the thing that is ending.

This is a good influence for spiritual matters, learning new spiritual information, attending classes, etc. Also, keep in mind that a positive card, such as a four, eight, or ten, in the other position this period would offset any problematic situations that may arise and bring about good results overall.
