First Connection

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

John Smith and Jane Smith share a Power Connection

First of all, this is likely a karmic relationship. This means that the two of you have been together before and may have some unsettled business from that lifetime in your past. This does not mean that this business is of a negative nature. Often people are drawn together again to complete some good things that were left undone in that lifetime. However, we know that there is some powerful reason for this bond and it is up to John and Jane to find out just what that is.

What we do know is that both John and Jane have powerful wills. This is an admiral quality that makes them both reliable and dependable. They tend to finish the things that they start and usually follow through with whatever plans or promises they make. However, each of them are not very flexible in some key areas. As a matter of fact they each are probably unable to change certain aspects of their personality. And each of them have difficulties making changes in their life or dealing with external changes imposed upon them. It is a rare occurrence when two of these three fixed cards get together. John and Jane may sense a special energy between them and not know just what it is or what to do with it. In truth, most relationships between people of these cards do not last long. A special energy is created when any two of the three fixed cards get together. This energy is so powerful that they could actually use it to change the world. However, if John and Jane do not have a common purpose, this same energy will likely destroy the relationship within a short period of time. This is, above all else, a working relationship. If John and Jane have mutual goals and dreams, then the power generated by this connection will propel them to success. So, we can see how important having a purpose and goals is for them. If they do not have this unifying purpose or direction, this energy between them will be wasted on friction and conflict between them. Remember, they are both quite set in their ways.

Affirmation for John: I realize the unusual power that is created in my relationship with Jane and consciously direct this power into things that are productive, useful and transformative for others. In this way, I enact my own personal transformation. I release any and all needs to control Jane and allow her complete freedom to be herself.

Affirmation for Jane: I realize the unusual power that is created in my relationship with John and consciously direct this power into things that are productive, useful and transformative for others. In this way, I enact my own personal transformation. I release any and all needs to control John and allow him complete freedom to be himself.

Second Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

John Smith and Jane Smith are Jupiter to each other in the Life Spread

This connection promises a lot of compatibility to John and Jane and presents some unique opportunities for them to take advantage of. It is considered to be one of the most beneficial influences that exists and is relatively rare, occurring in less than 1% of the population. If taken advantage of, this connection can bring some wonderful blessings of many kinds into their lives.

Jupiter is the planet of abundance, both material and spiritual. Since this connection between John and Jane is mutual, they exchange these blessings on a relatively equal basis. But a mutual connection is often like having three regular connections because it tends to augment itself as the energy is passed back and forth between the partners. For this reason, we can say that John and Jane are unusually blessed in this relationship and are likely to share many good things with each other.

Usually the partners with this connection share a similar philosophy about life. They may be involved in a specific religious or spiritual group, or just may have the same thoughts about life, justice, the world and other important matters. Having a similar philosophy lends itself to good feelings about being together. It is one of the foundations upon which many successful relationships are based. If John and Jane find this to be true, their relationship will tend to augment their beliefs and ideas and others will feel a certain amount of unity and power from them, because they both stand for the same things.

Another beneficial aspect of this connection is the financial one. This connection can be experienced as a feeling of unlimited prosperity. Together, John and Jane have the horn of plenty surrounding them and their activities. They tend to attract money and good things into their life and these are given and received graciously between them. For this reason, this connection is unusually good for both marriage and for business partners. Many financially successful couples have one or more Jupiter connections between them. But John and Jane have the equivalent of two or three in just this one, so they have much to be grateful for.

Many good things can come from this relationship if John and Jane end up staying together with the right attitude. That attitude is appreciation. All they need to do to amplify and multiply all the good effects of this connection is to periodically take stock of all the things they have to be grateful for and take time to express their appreciation of each other to each other on a regular basis. When they do this, the Jupiter energies become like a powerful generator of good things. It can really be magical just how quickly and frequently these good things happen.

Even if they do nothing, there will be good things shared in this relationship, regardless of other connections that exist. And for these things, there is much to be appreciated. If John and Jane want to see some magic, just become more conscious of the blessings and see what happens.

Affirmation for John: I am enjoying the ways that Jane and I give to each other. I experience a feeling of enhanced abundance and prosperity in this relationship that makes me thankful for having Jane in my life. Our prosperity is growing every day.

Affirmation for Jane: I enjoy giving and receiving with John and feel that this relationship is an important blessing in my life. I sense that our wealth is growing each day and I am grateful for all of the wonderful things John brings into my life.

Third Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

John Smith and Jane Smith are Venus to each other in the Life Spread

This is one of the better connections for any sort of relationship and guarantees a certain amount of compatibility between John and Jane. The closer this connection is to being first, the stronger is the compatibility factor that is enhanced by this connection. In essence, this connection tells us that John and Jane share many of the same likes and dislikes. This means that they have a lot in common and makes it relatively easy for them to be together. As a matter of fact, this connection is not common. Couples who have it are blessed and probably each have some good karma from a past life to account for meeting someone with whom they share this connection. John and Jane have a lot to be thankful for, especially in each other.

This is a mutual connection which is wonderful because the friendship and loving energy of Venus is flowing both ways between John and Jane. Each receives good feelings from the other while at the same time having good feelings of their own about the other. It is sort of like a love generator. Even if this connection is not one of the first ones between them, it will add a definite amount of ease and mutual appreciation to their relationship. So, regardless of what other connections they may have together, we know that there are things that they have in common. If they realize this, they can use this information to great benefit. Whenever they get into disagreements or conflicts, all they need to do is remember all the things that they have in common and focus some of their attention on them. This 'shifting of their awareness' can be used to mend many fences that may come between them.

It is highly likely that John and Jane have much in common in everyday terms. They probably enjoy the same kind of music, recreation, television shows and other forms of entertainment. Venus is a pleasure planet. With such a strong Venus connection, it is very likely that John and Jane enjoy the same things. Of course, sex falls into this category as well. The Venus connection is often found among couples who are very sexually compatible. It doesn't have the passionate attraction of a Mars connection, but it definitely makes the sexual experience a pleasant one for both partners. Combined with a Mars connection gives us one of the best sexual/romantic combinations. There can be exceptions of course, but these are the usual indications, and they are very good in all respects.

So, just what will John and Jane do with a relationship that has 'double blessings'? The foundation is there to create most anything that they want. The rest is entirely up to them.

Affirmation for John: I truly appreciate having a partner with whom I have so much in common. Jane is someone I could spend the rest of my life with because it is so easy to be with her.

Affirmation for Jane: Life with John is very comfortable and easy on many levels. I am grateful for the many things we share and have in common.

Fourth Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

John and Jane are Venus to each other in the Spiritual Spread

This is one of those 'instant recognition', past-life connections that is responsible for many marriages and friendships. This connection tells us that Jane and John have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Jane and John will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Jane is a strong stimulant to John. She will either excite him, make him angry or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, John will have a great responsibility to channel this energy into positive activities. Lovemaking is a wonderful outlet for this energy and there is no doubt that passion exists for this couple. In many cases, this connection exists between a couple who had unfulfilled passion for each other from the past life in question. It was an unconsummated love that for whatever reason, was never allowed to run full circle. Now, when they meet in this lifetime, the passion is right there, as if it had just been waiting for them to meet to be realized. 'Lust at first sight' might describe it quite well.

But there is an equal possibility that Jane and John were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into love. Other connections between Jane and John may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other.

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, most of the couples who have successful working and romantic relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Jane and John will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, John is probably the one who allows Jane to anger him. Because Jane is his Mars Card, he is the one who is reacting to Jane as a Mars influence. He also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for John and he probably chose Jane to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though John may be affected a little more since he is the one receiving most of the Mars energy. If Jane and John take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Jane: I am aware of how much I stimulate John and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for John: I accept Jane as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to her. With her help, I am diffusing my own anger and channeling my energy into positive directions.

Fifth Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

John Smith is the Venus Card to Jane Smith in the Spiritual Spread

This is one of those 'love at first sight' connections that is responsible for many successful marriages and friendships. This connection tells us that John and Jane have shared some past lives together. In at least

one of those lives, they were involved in a long-term relationship into which they each had to put a lot of effort in order to maintain harmony and compatibility. In that lifetime, they developed a deep love and respect for each other, as well as trust. Now, when they meet in this lifetime, they almost immediately sense this other soul with whom they have shared so much. They may or may not actually enter into a committed relationship during this lifetime, but what matters most is that a love exists between them that was already there, which will remain forever more.

If they do decide to get together again, they have what few other couples have and that is a great head start. Because they have already worked out the mutual trust, respect and admiration for each other, they can immediately advance to a very compatible and harmonious life together. They may or may not actually have much in common. In this lifetime, the personalities that they have may be much different than before. Other connections, especially among the Planetary Ruling Cards, will reveal how their personalities actually interact in this lifetime. There are cases where the personality differences are so great that it becomes impractical for them to be together as a couple. The love is there and it is strong, but their personal directions may be much different in the current lifetime. In those cases, the love is recognized and acknowledged, but never completely consummated.

This connection makes believers of those who doubt that love is forever. The fact that John and Jane have found each other is a sign of good fortune for both. These kinds of relationships only happen to those who have some purity of heart and who are aware enough to recognize the value of it. So, we can say that John and Jane have reached some high degree of loving in order to have found each other again. It is a good sign and a blessing. Hopefully they will be able to take this foundation of mutual love, respect and admiration and go forth to create a beautiful future for themselves.

Affirmation for John: It feels very right to be with Jane, with whom I share some kind of deep and timeless love. I appreciate her presence in my life and feel blessed by it.

Affirmation for Jane: I experience a love for John that is hard to describe, and yet feels very familiar and right. I sense that we have been together before and look forward to more time together to share this unique love that we have for each other.

Sixth Connection

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Jane Smith is the Uranus Card to John Smith in the Spiritual Spread

This is one of the past-life connections that tells us that Jane and John have already been together before. In fact, in that previous lifetime, they developed a true friendship and mutual respect for each other that has carried over into this lifetime. Now, they can enjoy those qualities and use that to build an even stronger relationship. However, both should know the implications of this connection, which tells us that it is not ideally suited for all couples. Jane and John have a great possibility here, but also possibly a great challenge. It all depends upon how well they are able to allow each other that personal freedom, especially when that freedom may scare them or leave them feeling uncertain. The Uranian relationship is certainly not for everyone. It is for those who want to experience the highest form of unconditional love in the context of an intimate relationship.

In particular, John may be the one who is most affected by Jane's behavior. At times she may seem to act in such an unexpected manner that John is taken off balance by her. If he places big demands or expectations upon her, Jane will seem to be even more uncontrollable and unpredictable, which may engender even more uncertainty for him. This is because John is the one who is receiving the Uranian energies the most, unless other connections point out that Jane is also receiving some. In any case, the call here is for John to drop his expectations and learn to appreciate the time and things that he does share with Jane, instead of focusing on the parts that he is not getting the way he wants. This can be an easy lesson or a hard one, it depends mostly on John and his attitudes. We might say it is a matter of having both faith that John will get his needs met and his having appreciation for all that he does have in the context of this relationship.

However, this connection tells us that John has already learned these lessons in the prior lifetime. He probably will not have such a hard time of it. Most of the relationships with this connection are good

friendships. Both partners usually have separate careers or lives but allow each other the space to do as they please without placing big demands upon each other. They truly enjoy the time they spend together but do not require that this time be scheduled into their lives, as if there wasn't going to be enough of it. It would be well for both Jane and John to model themselves after these ideal characteristics, which is the Uranus connection in its highest expression.

The Uranus connection often provides a psychic link between partners. They just seem to know what each other is thinking or doing. Sometimes they can transmit thoughts to each other. It is really a beautiful thing when a Uranus relationship is working well. Both partners are relaxed and unconcerned as to whether or not they will see each other again. They both feel the love they have for each other and that is enough. The time they do spend together is like the icing on the cake, and another chapter (and adventure) in the book of their friendship.

Affirmation for Jane: I realize the powerful effect I have on John. Though I will never allow him to control me or dictate my actions, I will express my love to him so that he knows that I really care.

Affirmation for John: I allow Jane to be completely free to be herself. In this way, I am creating the relationship of my dreams - one based upon true friendship and unconditional love.
