CONSTRUCTION EQUIPMENT

Company Presentation

ABOUT US

AVRASYA is a trustable and reputable company which is located in Istanbul-Turkey. Our company was established to meet the needs of construction industry and wholesaler companies. We are active in production, trading, contracting and engineering for construction sector.

Construction equipment dominates the landscape of construction sites today. They play a key role in the construction industry. Avrasya serves the mining, energy and construction sectors. We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

OUR MISSION

It is well known in the marketplace that buyer-supplier relationships can offer potential strategic advantages to both partners. However, less is known about how firms make the decision to work closely together to "expand the pie" of benefits.

AVRASYA – A company that wishes to become your successful partner through our world-class products and customer service. It is our mission to assist our customers to become winners in their own business field.

Our experienced team is dedicated to providing best quality products and convinced service to our clients.

OUR VISION

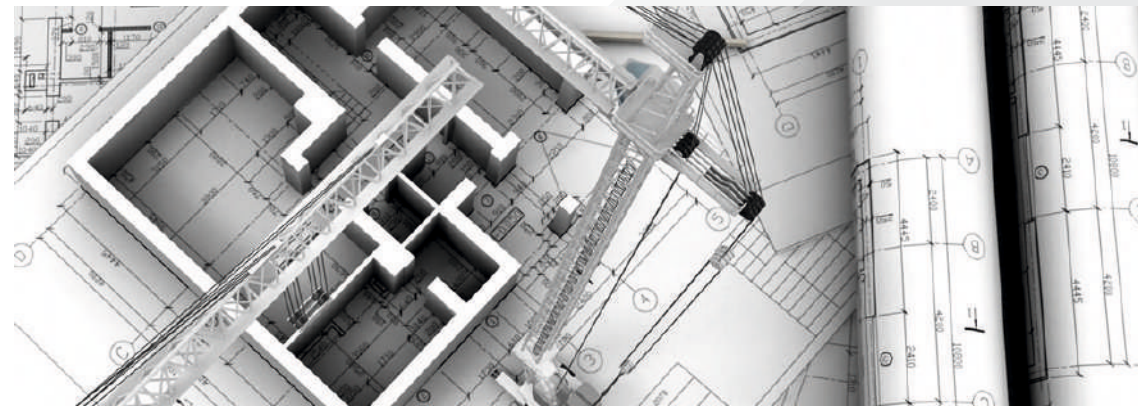

The quality policy of Avrasya aims to maximize the development of the company towards the satisfaction of employees and business partners by providing the best products in accordance with the management principles and the long-term vision of the company's development . As a goal, we set ourselves:

Understanding customer needs and integrating them into our daily work - anticipating and exceeding their requirements.

Mutual development with suppliers and customers towards creating products with high added value (Self-reliance project)

Continuous improvement of our employees' qualifications and their motivation (Passionate & Engaged Team)

Continuous improvement of the effectiveness of the implemented quality management system towards achieving global goals.

HEAVY CONSTRUCTION EQUIPMENT

Crawler Excavator

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Wheel Loader

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Graders

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Articulated Trucks

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

HEAVY CONSTRUCTION EQUIPMENT

Mini Excavator

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Cylinders

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Asphalt Pavers

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Mobile Crusher

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

HEAVY CONSTRUCTION EQUIPMENT

Bored Pile Machine

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Surface Drilling Machine

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Underground Drilling Machines

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Underground Loader and Trucks

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

HEAVY CONSTRUCTION EQUIPMENT

Mine Skips & Well Equipment

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Gallery Opening Machines

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Cutter Loaders

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Armored Chuck Conveyors

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

HEAVY CONSTRUCTION EQUIPMENT

Bits

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Rods and Couplers

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Split Set

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Ibo Bolt Fortifications

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

LIFTING EQUIPMENT

Crawler Cranes

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Tower Crane

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Container Handling Equipment

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Mobile Port Equipment

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

CONCRTE EQUIPMENT

Stationary Concrete Batching Plant

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Precast Concrete Batching Plant

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Compact Concrete Batching Plant

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Mobile Concrete Batching Plant

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

CONCRTE EQUIPMENT

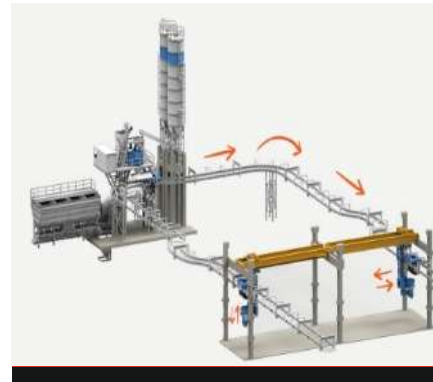

Mini Concrete Batching Plant

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Concrete Mixer

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Concrete Distribution System

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Truck Mounted Concrete Pump

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

DRILLING EQUIPMENT

Wire -Line Exploration Drill Rig

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Wire -Line Exploration Drill Rig

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Wire -Line Exploration Drill Rig

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Wire -Line Exploration Drill Rig

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

DRILLING EQUIPMENT

Geotechnical Drill Rig

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Vagon Drill

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Umbrella arch

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Water Drilling Machine

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

DRILLING EQUIPMENT

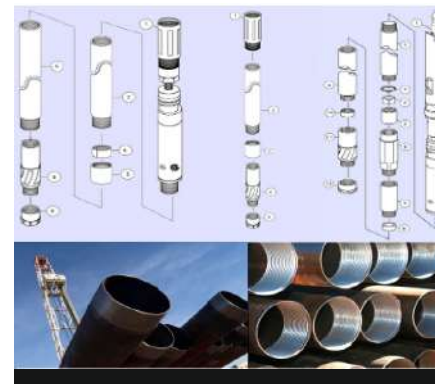

Diamond Core Bits

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Wire Line System Core Bots

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Drilling Case Pipes

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Rock Bits

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

HEAVY CONSTRUCTION EQUIPMENT

Central Injection Sets

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Portable Compressor

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Diesel Generators

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Diesel Engine Pump

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

CONSTRUCTION EQUIPMENT ATTACHMENT

Demoulotion

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Excavator Bucket

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Front Loader Bucket

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Concrete Demoulotion Shears

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

LIGHT CONSTRUCTION EQUIPMENT

Pneumatic Rock Drill

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Soil Compacting Machines

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Vibratory Motor

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Concrete-equipment-modular-screeds

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

LIGHT CONSTRUCTION EQUIPMENT

Concrete Mixer

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Concrete Bucket

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Japanese Trolley

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .

Roof Crane

We supply different kind of construction machinery with competitive prices from Turkish free zones and company warehouses to our customers .
