## TSE Certificated, Easy Cleaning Antibacterial Surface

Bathrooms and toilets are the main places we want to keep hygienic in our living spaces. Today, the effort to clean microbes and bacteria that cause epidemic diseases such as coronavirus leads consumers to new searches.

Products with antibacterial surface save water and energy with the feature of being easily cleaned using less cleaning materials and water.

## İderimless Rimless WC Pan

There is no rim or holes in İderimless toilet technology. The new generation rimless wc pan developed by us provides dirt-free and sediment – free, easy cleaning, more hygiene and aesthetic using, compared to standart wc pans.

## Invisible and Easy Installation

We provide different wc pan options for each bath needs. Montage is easy for wall hung wc pans with easy installation feature. Invisible installation feature provides aesthetic apperance to your bathroom.

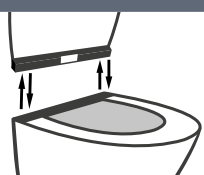

# Functional Seat Cover

**SOFT CLOSE  
SEAT COVER**

Soft close  
seat cover  
system

**ONE TOUCH  
REMOVING BY  
HINGE SYSTEM**

One touch  
removing by  
hinge system

code, you can watch  
our Idevit toilet seat  
introduction video.

## Energy Management System

In order to ensure that the energy resources are used efficiently,  
We have Energy Management System conforming to the ISO  
50001 We apply standards in all energy using processes for  
sustainable management of efficient energy use.

## Quality Certificates

**TSE 13420**  
Ceramic sanitary ware with  
antibacterial surface features.
