PRODUCT PRESENTATION GUIDE

OUR STORY

SWISS PLUS specialises in high quality leather products in the types of genuine leather mobile phone cases, bags, wallets, handbags, briefcases, notebook bags, suitcases. We produce high quality products with the philosophy amalgamating functionality and aesthetics. It has been our passion to design and create products that make people satisfied with regards to their expectations from the products they buy.

Leather products have the advantage of durability over conventional synthetics. Along with the advantages of leather itself, **Swiss Plus** products are designed for elegance, high durability, grip and comfort. We only use premium elements when creating our products. The main element in our product range is genuine leather and we only use quality leather. Stitching material, fasteners, zips all elements of our products are carefully selected, processed and assembled.

All our products are handcrafted by our veteran workers. We call them our "**SWISS PLUS** artists". We must say that **SWISS PLUS** do the best to keep them happy and motivated. We believe that having our workers happy keeps them motivated to produce high quality products.
