SINCE JUNE

CHALLENGES

Graduate from School Rate

About 30% of students left school and are forced by parents to work in traditional farming

Go to University Rate

Only about 60% of Students continue to study in university due to family financial difficulty.

Employment and Entrepreneurship

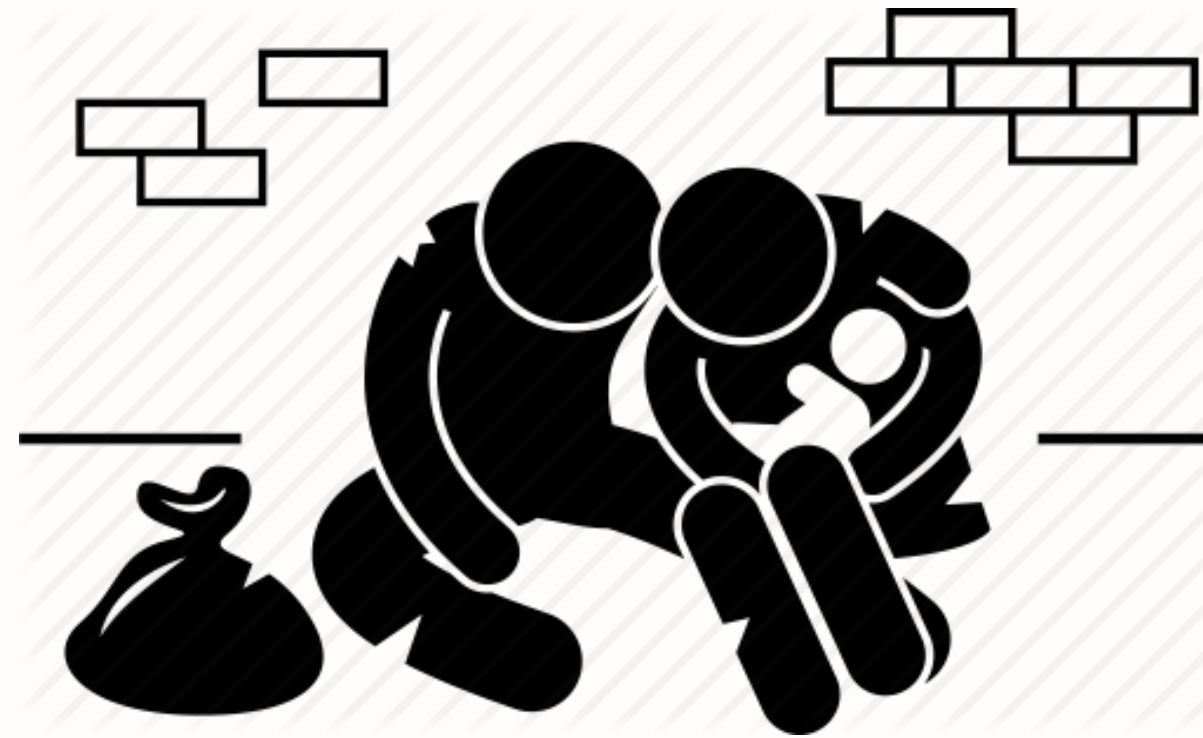

The employment rate is low and most students has very low knowledge in entrepreneurship so they are mostly work as labor and employee

Social Issue

IN URBAN AREA

Early
PREGNANCY

Financial
PROBLEM

Drugs
ABUSE

lead to lack of productive "future Community Leader"

AWARD

A certificate of appreciation for Khetratip Traiboonchai, a volunteer for the 'Give Love, Get Love' campaign. The certificate features a portrait of the recipient, a golden trophy, and the official seal of the Department of Social Work, Ministry of Social Justice and Human Rights. The text is in Thai, praising his contributions to child and adolescent welfare.
