

Marshall Childs

Photography Portfolio

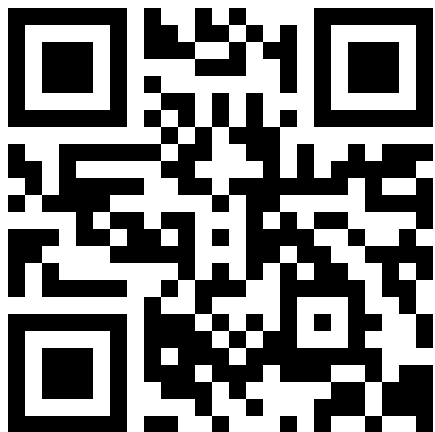

Marshall Childs

Marshall Childs is a Maryland artist with a portfolio that includes paintings, graphic design and photography. Marshall graduated from Salisbury University as a cum laude Bachelor of Fine Arts major with a graphic design track. Most recently, Marshall has written and illustrated the children's book "Fizzy Fred's Arena". He has also illustrated the children's book "What My Daddy Told Me". Both books are available on Amazon.com. Currently, Marshall works full-time as a Senior Computer Graphics Specialist at WSP in Baltimore, MD.
