About Us

Global Placement is a recruitment agency that specializes in healthcare, hospitality, IT, and engineering-science sectors. We have been in the industry for over 10 years and have a proven track record of delivering successful outcomes for both candidates and employers.

We are passionate about finding the right people for the right places. We have a team of dedicated consultants who have extensive knowledge and experience in each sector. They work closely with our clients and candidates to understand their needs, goals, and expectations.

We offer a range of services, including permanent, contract, temporary and executive recruitment. We also provide career advice, resume writing, interview coaching and market insights. We are committed to providing high-quality and personalised services to our clients and candidates.

We are not just a recruitment agency; we are your partner in success. We value our relationships with our clients and candidates and strive to exceed their expectations.

Vision & Mission

Vision

We are the leading recruitment company in the Healthcare, Hospitality, IT and Engineering-Science sectors, connecting the most talented and diverse professionals with the most innovative and impactful organizations. We are passionate about creating a better future for the sectors we serve and the world, by fostering a culture of excellence, diversity, and inclusion.

Mission

We are a recruitment company that specializes in finding and placing talented professionals in the Healthcare, Hospitality, IT, Engineering-Science sectors.

We serve both local and international clients who are looking for qualified and experienced candidates. We use our extensive network, industry knowledge and personalized approach to match the best candidates with the best opportunities.

Our Sectors

Healthcare

Looking for skilled healthcare professionals to join your team? We specialize in healthcare recruitment, with over 10 years of experience across Asia-Pacific. Our extensive network connects you with top candidates for various roles in nursing, allied health, and aged care.

We're experts in healthcare recruitment, linking talented candidates with leading employers. Our clients include hospitals, clinics, aged care facilities, and more. From doctors, nurses, dentists, carers to managers, we offer permanent, contract, and casual positions to suit your needs.

As your career partner, we provide personalized support throughout the recruitment process. Access training and mentoring programs to enhance your skills and advance your career. We value diversity and inclusion, welcoming candidates from all backgrounds to contribute to the healthcare sector.

We believe that everyone has something unique and valuable to contribute to the healthcare sector.

Our Sectors

Hospitality

Looking for a rewarding hospitality career? Global Placement specializes in placing talented professionals in top venues across Australia, UK, and USA. We offer permanent, temporary, or contract positions tailored to you. With experienced recruiters and trusted clients, we match you with the best jobs.

When you work with us, you will benefit from:

- A personalized and professional service that matches your skills, experience, and preferences with the best available jobs.
- A competitive salary and benefits package that reflects your value and potential.
- A supportive and friendly environment that helps you grow and develop your career.
- A variety of opportunities that suit your lifestyle and goals, from casual to full-time, from local to international.
- A chance to work with some of the most prestigious and innovative hospitality brands in the world.

We are always on the look out for experienced and qualified Chefs, F&B managers, Restaurant Managers, Front office Managers, Housekeeping Managers and Hospitality supervisors and management professionals.

Our Sectors

Information Technology

Seeking a new IT challenge? Join our passionate, innovative team at Global Placement. We're hiring top talent for roles like software developer, cybersecurity, web design, big data analyst, cloud computing, and more. Whether you are a fresh graduate or an experienced professional, we have a place for you.

Why work with us?

- We value our employees and provide them with competitive salaries, benefits, and opportunities for career growth.
- We work on exciting and challenging projects for clients across various industries and sectors.
- We foster a culture of collaboration, learning and innovation, where you can share your ideas and learn from others.
- We have a flexible and supportive work environment, where you can balance your personal and professional life.
- We have fun and celebrate our achievements together, with regular social events and team activities.

Our Sectors

Engineering-Life Science Professionals

Are you looking for a rewarding career in engineering or life science? Do you want to work with cutting-edge technology and make a positive impact on the world?

If so, you might be the perfect fit for our clients!

We are a leading recruiter of engineering and life science professionals, with clients across various industries and sectors. We offer a range of opportunities, from design and development, to testing and validation, to consulting and training. We are always looking for talented and passionate individuals to join our client's team and help them deliver innovative and high-quality outcomes.

We are looking for candidates with:

- A degree or diploma in engineering or life science, or relevant experience
- A strong technical and analytical skills
- A creative and problem-solving mindset
- A good communication and interpersonal skills
- A willingness to learn and adapt to new technologies and methods

Our Services

In addition to sourcing, screening, shortlisting and placement we also offer a range of other services to support both our clients plus our candidates which can include:-

Consulting

We provide expert advice and guidance to employers on various aspects of their hiring strategy, such as market trends, talent attraction, employer branding, or diversity and inclusion.

Training

We provide learning and development opportunities to candidates or employees to enhance their skills, knowledge, or performance. Training can involve various topics, such as technical skills, soft skills, leadership, or compliance.

Outsourcing

We provide some to all of the hiring functions to a recruitment agency, such as payroll, benefits, Immigration & Visa preparation and compliance, employment verification and background checking.

If you are interested in joining our company, please send your resume and cover letter to info@global-placement.com

Our Services

Employment on Record

A global EOR serves as a back-office administrator for companies with international employees. EOR places their clients' global employees on their payroll, eliminating the need to set up subsidiaries in foreign countries. The EOR handles payroll, benefits, and compliance and regulatory tasks related to hiring globally, along with other HR duties as needed.

Professional Employer Organization

PEOs manage payroll, benefits, and other HR responsibilities for the employees of a client company.

Unlike EOR solution, our PEO solution provides control, compliance, and risk management, letting you focus on strategic growth with greater peace of mind.

If you are interested in joining our company, please send your resume and cover letter to info@global-placement.com
