Community Mandir located at

With the divine grace and blessings of **Lord Shiva**, it is with immense joy and humility that we share this wonderful news with our Mandir family.

The installation of the curved tinted glass roof over the forecourt area of the Mandir has now been successfully completed. This sacred addition will lovingly shelter our dear devotees from the elements, especially the sun and rain, as they gather in devotion and prayer. After a long and challenging journey, this milestone has been achieved by the will of the Lord.

By His grace, the forecourt area has also been expanded to accommodate a growing number of devotees, allowing more members of our community to come together comfortably in worship and seva.

These sacred improvements would not have been possible without the heartfelt support, generosity, and tireless dedication of our devotees and volunteers. Your financial contributions, time, and selfless service have played a vital role in bringing this vision to life, and for this we are deeply grateful.

We greatly value your guidance, contributions, and prayers, both in the past and as we move forward. This Mandir truly belongs to the community, and together, with unity and devotion, let us continue to nurture it for the spiritual benefit of all.

Once again, with folded hands, we offer our sincere gratitude to all our wonderful devotees.

**Har Har Mahadev.**
